MEMORANDUM FOR: [REDACTED] WE, [REDACTED]

SUBJECT: Panel "C" Committee

At the meeting of the Committee which is now scheduled for 29 February, you are authorized to make the following statement:

General Walter B. Smith has personally considered the release to the Panel "C" Committee of information regarding CIA operations, as illustrated by the request laid before the Committee at its last meeting. General Smith considers that data of this nature pertains directly to the security of CIA operations and cannot be provided to the Committee as a whole. To the extent that the Chairman of the Committee feels he requires specific information and to the extent such information does not actually jeopardize the success of operations, it is the intention of CIA to keep the Chairman informed.
